March, 1st – 4th, 2016

JW Marriott Hotel Cairo

Cairo - Egypt
Welcome Address

Dear guests and colleagues,
On behalf of ESPRS Board, we are honored to welcome you to the 46th Annual Conference of the Egyptian Society of Plastic & Reconstructive Surgeons “ESPRS 2016” at JW Marriott Hotel Cairo, from 1st - 4th of March, 2016. This year, the meeting will focus on Fat Grafting Update as the event is organized proudly in collaboration with The International Society of Aesthetic Plastic Surgery (ISAPS).

As our specialty grows and evolves further into different subspecialties, it becomes prudent to employ a holistic approach towards the complete spectrum of plastic and aesthetic surgery, with an attempt to learn contemporary concepts established among various subspecialists in our exciting discipline.

The organizing committee is keen to bring together the best of brains during the event that will comprise panel discussions, symposia and keynote lectures with a view to resolve the controversies and challenges in our field. By your sharing and contributions we will share our experiences and views, in an endeavor to bridge the gap between theory and practice.

We hope that you all will spend a very fruitful 4-DAYS conference and make from your stay an enjoyable experience that you will never forget.
